JECI – Jesus' Call Initiative Limited

Monthly Report – June 2026

Reporting Period: June 1 – June 30, 2026

Introduction

Jesus' Call Initiative Limited (JECI) remains committed to improving the lives of vulnerable children, youth, women, and families through community development, education support, humanitarian assistance, youth empowerment, and Christian outreach. During June 2026, we continued planning and implementing activities that promote hope, dignity, and sustainable development within the communities we serve.

Highlights of Activities Implemented in May 2026

Although this report covers June 2026, it also reflects on key achievements made during May 2026 that laid the foundation for our current activities.

1. Community Outreach

- Visited vulnerable households to assess their most urgent needs.
- Identified children requiring educational support.
- Conducted prayer and encouragement visits for vulnerable families.

2. Education Support

- Registered beneficiaries for the **Go Back to School** initiative.
- Assessed the scholastic needs of vulnerable learners.
- Mobilized community members to support children's education.

3. Youth and Sports Development

- Organized community sports activities involving football and netball.
- Encouraged youth participation in positive and healthy recreational activities.
- Used sports as a platform to promote discipline, teamwork, leadership, and peace.

4. Community Mobilization

- Held meetings with local leaders, churches, schools, and community members.
- Strengthened partnerships for future community development projects.
- Continued mobilizing volunteers to support JECI programs.

5. Organizational Development

- Improved organizational planning and documentation.
 - Continued developing the JECI website and communication platforms.
 - Enhanced preparations for donor engagement and fundraising.
-

Progress During June 2026

During June, the organization focused on:

- Planning the 2026 education support program.
 - Expanding community awareness about JECI programs.
 - Registering additional vulnerable children and families.
 - Developing partnerships with churches and community organizations.
 - Preparing proposals for donor and partner support.
 - Strengthening volunteer coordination and community engagement.
-

Current Community Needs

The needs within our communities continue to grow. Many families are facing economic hardship, making it difficult to provide basic necessities for their children.

Priority needs include:

- School fees support
- School uniforms
- Exercise books and textbooks
- School bags
- Pens, pencils, and mathematical sets
- Shoes and clothing
- Food support for vulnerable households
- Clean drinking water initiatives
- Youth skills training
- Sports equipment
- Office furniture and equipment
- A motorcycle for field monitoring
- Computers and internet equipment
- Office rent and utilities
- Volunteer transport and facilitation
